Engaged Views

We establish a new currency for branded content

We're extending our previous guarantee:

views with a guaranteed verifiable brand effect, i.e. with a contact duration of at least 7 seconds

Average Engaged Time, i.e. an average dwell time of at least 1 minute

ENGAGED VIEW GARANTIE

bookable for all branded content campaigns

THE IMPACT OF THE FIRST 7 SECONDS

71% of people surveyed rated the content as conspicuous and competent. The increase is 12% higher than with a contact duration of 5 seconds.

Brand awareness increased by 4.6% and was thus 70%.

Positive emotions such as optimism and good mood are conveyed at 70 percent of the people surveyed.

The Top-of-Mind Awareness is 36% (+10% increase compared to 5 seconds contact duration).

Each second would look for further information about the brand or visit the corporate website.

The willingness to buy increases by +26%. The increase is 12.2% higher than with a contact duration of 5 seconds.
